It is with sincere gratitude that we **THANK YOU** for supporting The Emergency Assistance Center during the past year. With so much instability in the world, **your support has helped our neighbors in need** by providing enough food for 162,741 meals to 517 families including 1,542 people at a total of 3,019 monthly visits. Of those families, 141 came to the Center for the **first time** last year.

We are proud and humbled that with your help we were able to provide:

- Garden fresh vegetables
- Seasonal fruit
- Frozen beef and poultry
- Milk, eggs and butter
- Fresh bread
- Dry goods
- Hygiene products and cleaning supplies
- Diapers, wipes, formula, and baby food
- Pet food, donated by our generous community of animal lovers to ensure that all family members have enough to eat.

We are excited to announce that starting in May **we went back to being a ‘choice’ food pantry** three days per week for clients who are comfortable coming back inside the Center to shop. **We will continue to provide curbside prepackaged food and hygiene** two days per week for all other clients. In addition, with the continued support of our communities, we are excited to be **establishing a delivery service to our seniors that are homebound**. As an added support for our clients, **TEAC will be the only location in Northern Summit County that has a case manager from the Ohio Department of Jobs and Family Services** coming into the Center twice a month to assist our clients with resources.

Without your help, these accomplishments would not be possible and so we wanted to **simply send a letter of thanks for all that you have done for The Emergency Assistance Center!**

Sincerely,

The Emergency Assistance Center Staff and Board of Trustees
